

Bow Youth Center

Summer Field Trip Behavior Contract

Children enrolled in the Bow Youth Center Summer Program for 2019 will be expected to abide by all Bow Youth Center rules and regulations. Violation or noncompliance will result in removal from the field trip program on a probationary basis.

Participant Expectations for Summer Program:

1. **Respect** – Children will respect the property and rights of all staff and children. Students will show respect to their group leaders, bus drivers, other participants, and event staff at all times. Respectful behavior includes, but is not limited to: following directions, using manners, being kind to others, taking care of materials, keeping the bus clean, reapplying sunscreen when asked to do so, etc.
2. **Cooperation** – Children must come to BYC willing to follow all rules / regulations. They must come to the Youth Center willing and ready to get along with the other campers in their group.
3. **Calm** – Children will be expected to maintain self control. This includes proper bus behavior (i.e. sitting in their seats, using appropriate volume levels, etc.) This also includes body/voice control at various venues, as well as at the Youth Center.
4. **Dress** – Children are expected to come to the summer program dressed in a way that will not hinder their participation in daily activities. Students will be given a dress code for each field trip. Sunscreen is part of our required dress code. Children should apply sunscreen prior to arriving at BYC. They should also carry extra sunscreen with them for reapplication for the duration of the day. Failure to dress in the required attire will result in a removal from that day's field trip.
5. **Technology** – Children are not allowed to bring technology of any sort with them on any field trips (i.e. cell phones, Gameboys, PS2, ipods, ipads, e-readers, digital cameras, etc.) Failure to comply will result in a confiscation of technology and temporary removal from the field trip program.
6. **Attendance** – Children are expected to attend the field trips they are signed up for. Participants should arrive at least 15 minutes prior to the scheduled departure time (with sunscreen already applied).

Please sign and return. By signing below you and your child agree to uphold this behavior contract and understand that probationary removal from the field trip program may occur at the discretion of Donna Morrison, Tamara DeMarco, and/or Jess Allison.
